... and this is a map.

Do you believe this class?

So What?

I made this baby back in '83.

Paul you're leaning on my hand.

Aah, no.

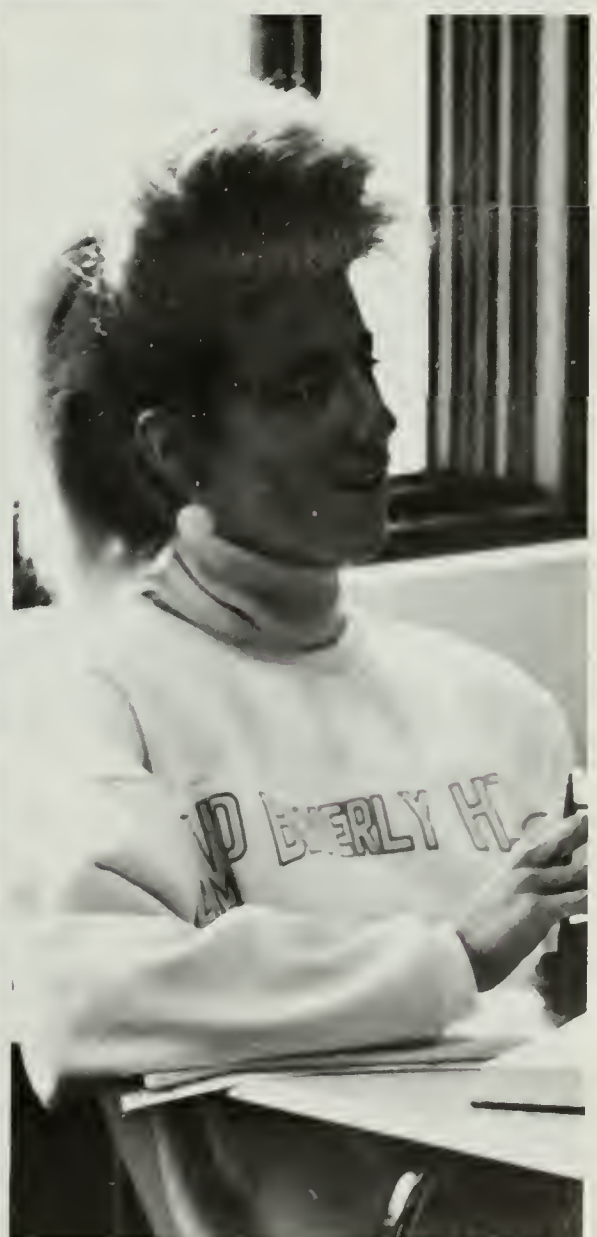

What went wrong?

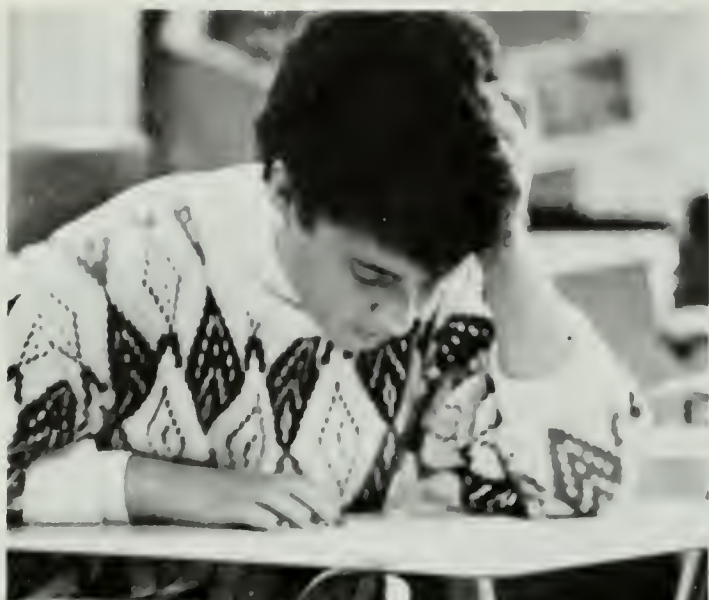

Wow, what's up there?

Wassup???

Geez, I'll never finish.

Like mother, like daughter.

Hey! Are you talkin' to me?!?

Cheese

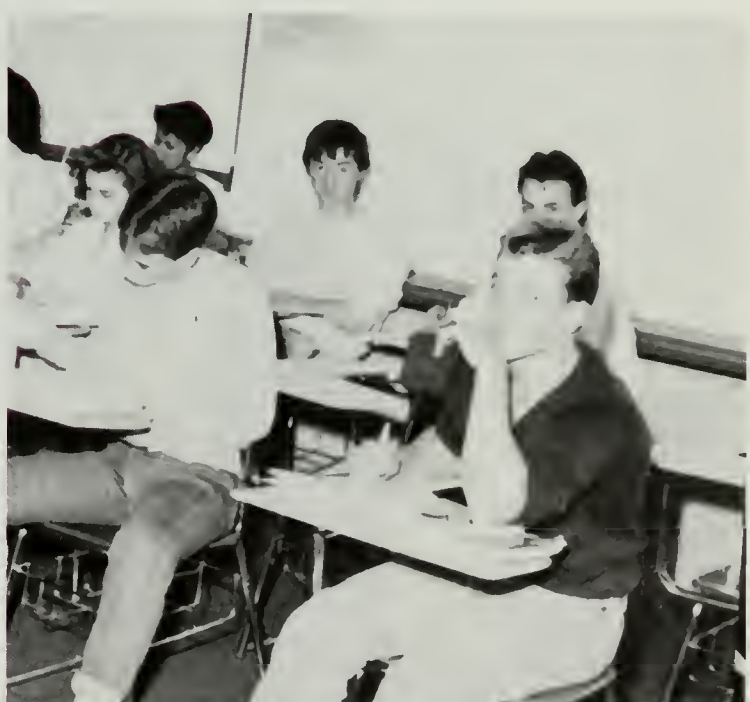

Ohhh! He makes me sooo mad!!!

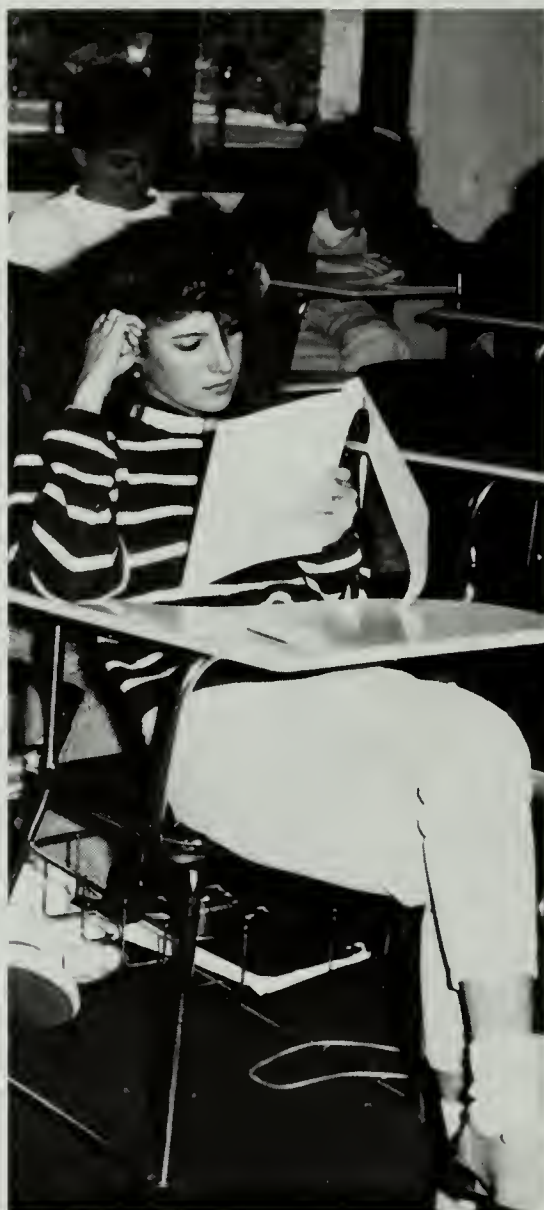

How did you get that answer?

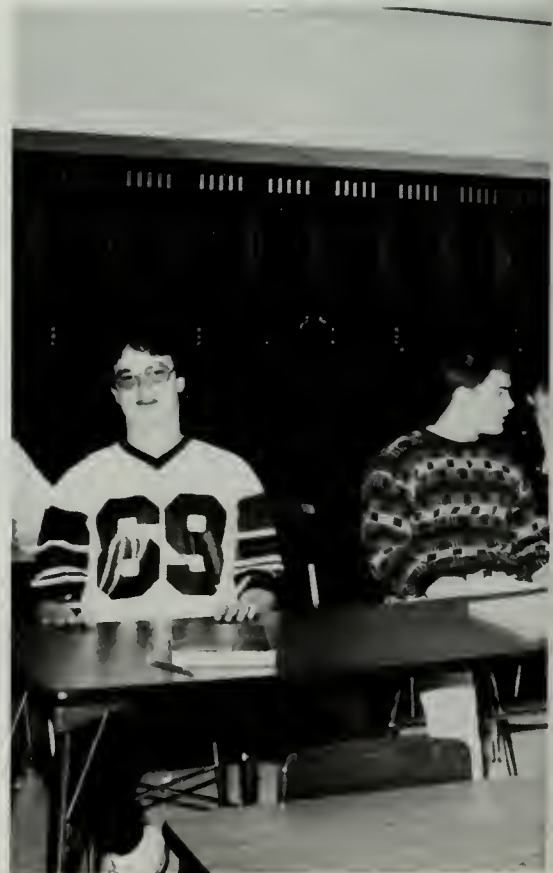

Yes Miss Tormey, well you see, it's a long story.

Sorry Dave, she's taken.

Hef, here we come.

Okay class, please raise your hand if you know who Gordo is.

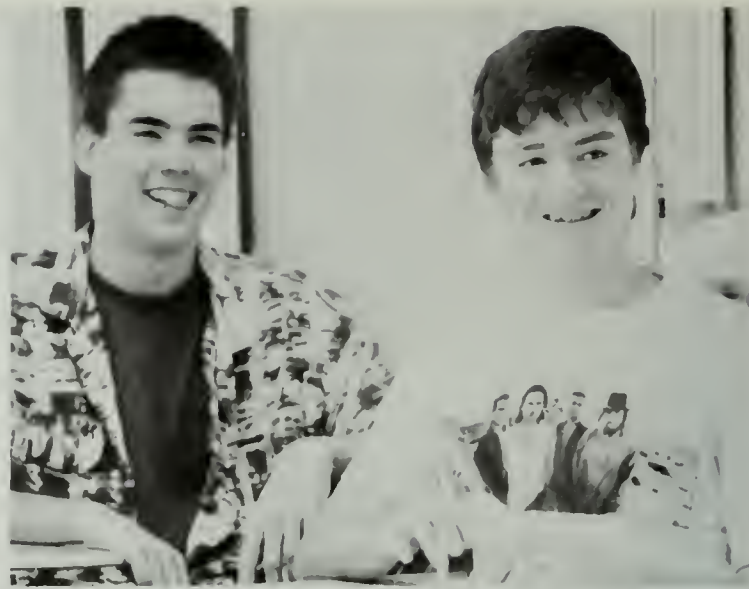

Please let this program Work.

Get your mind out of the gutter.

I don't know what Y equals.

Doug Flutie, eat your heart out!

The Three Wisemen.

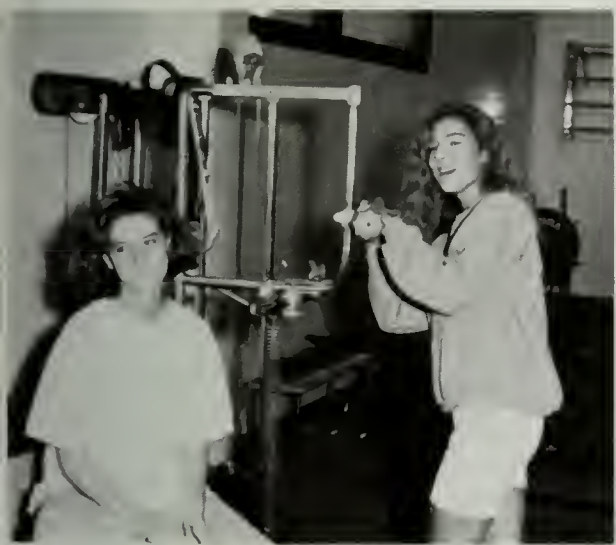

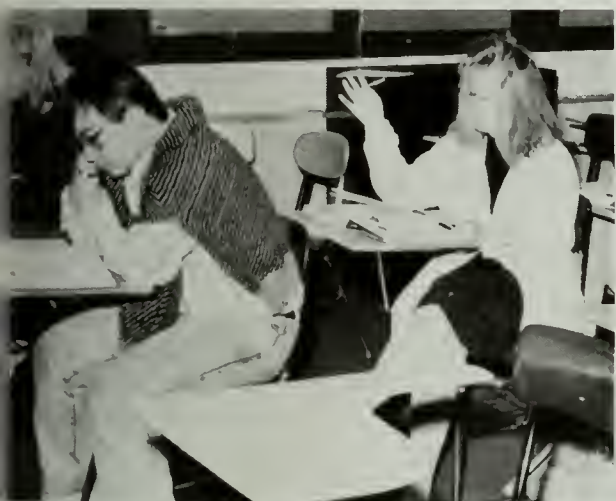

Oh boy, I cut a piece of wood.

No, keep trying.

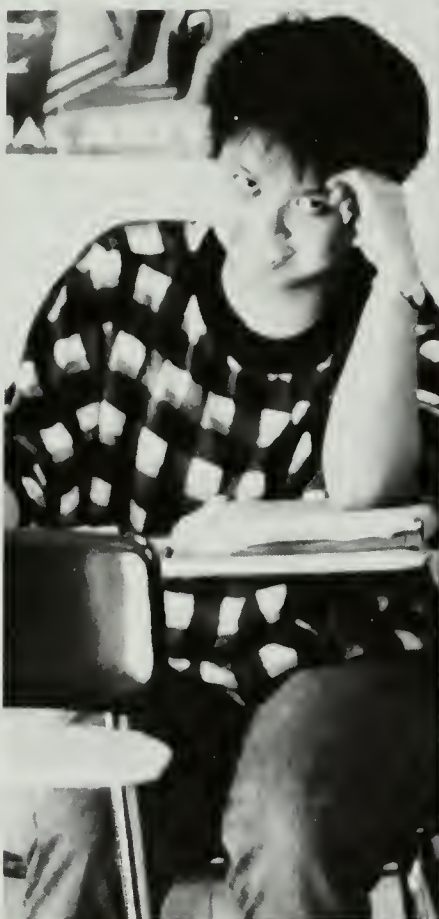

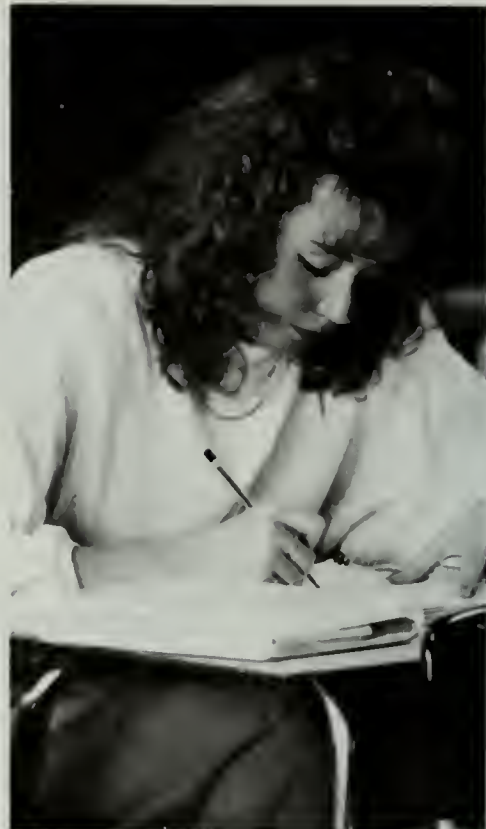

Aaah, Fran.

JUNIOR PROM

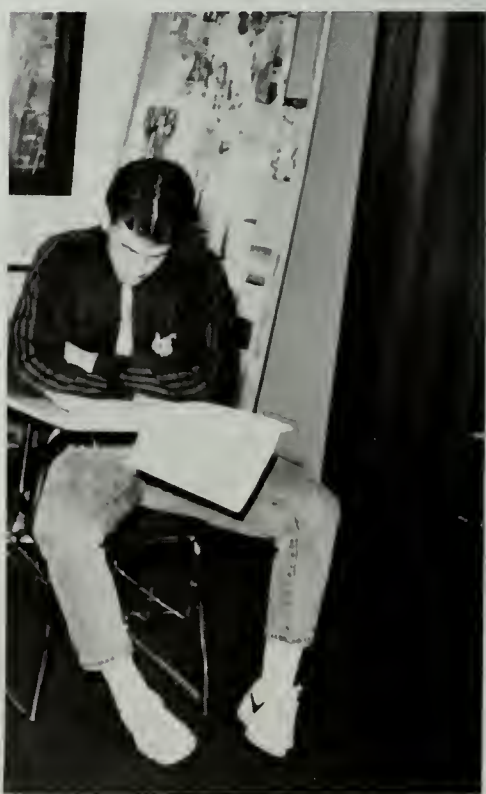

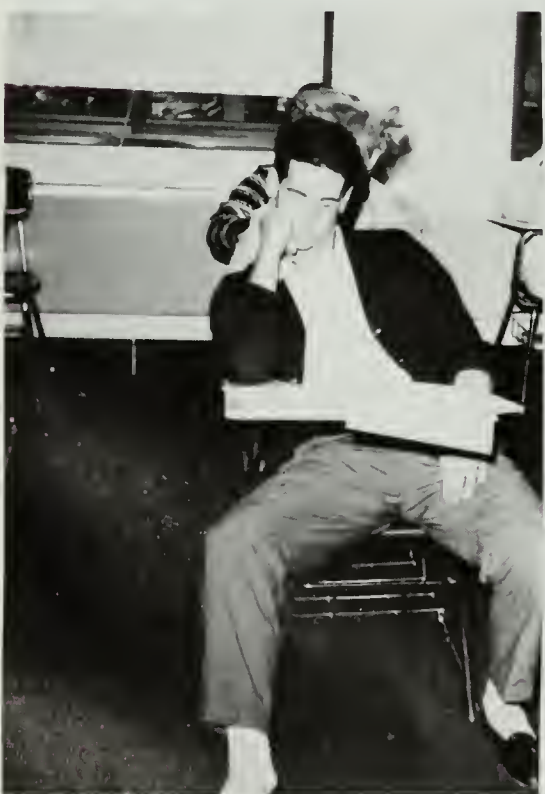

Wow, this is interesting.

Give me a gun.

... and that's No Nonsense.

I'm soo tired.

Mr. Mom.

Yeah. Hogie got an answer right!

Hmmm?

WHAT!! Us sneak on the elevator

Can I help you?

Trackle Party.

This yolk won't break.

Whaat??

A dog? No, it's a donkey.

You're looking good, babe.

No, I don't think so.

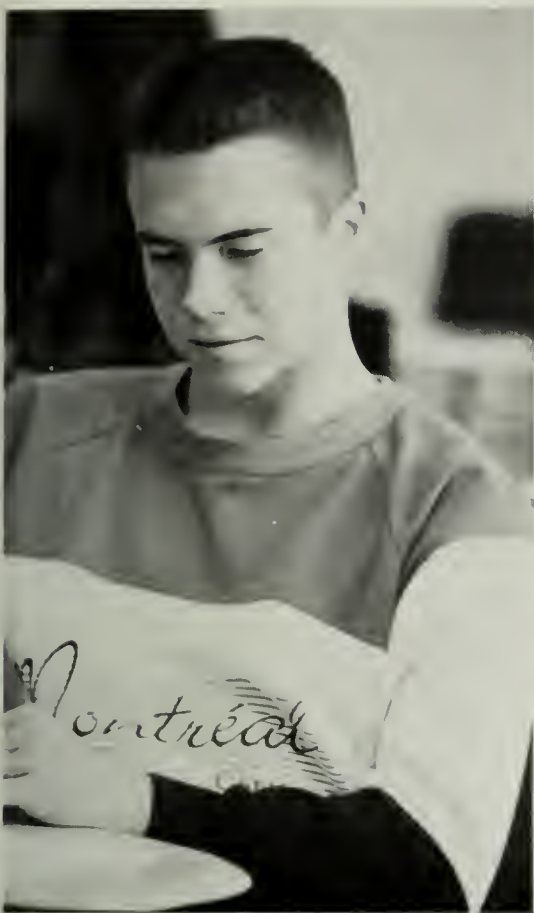

Us, leave school!

What's the problem here.

The Gang's all here.

Wake up John!!!

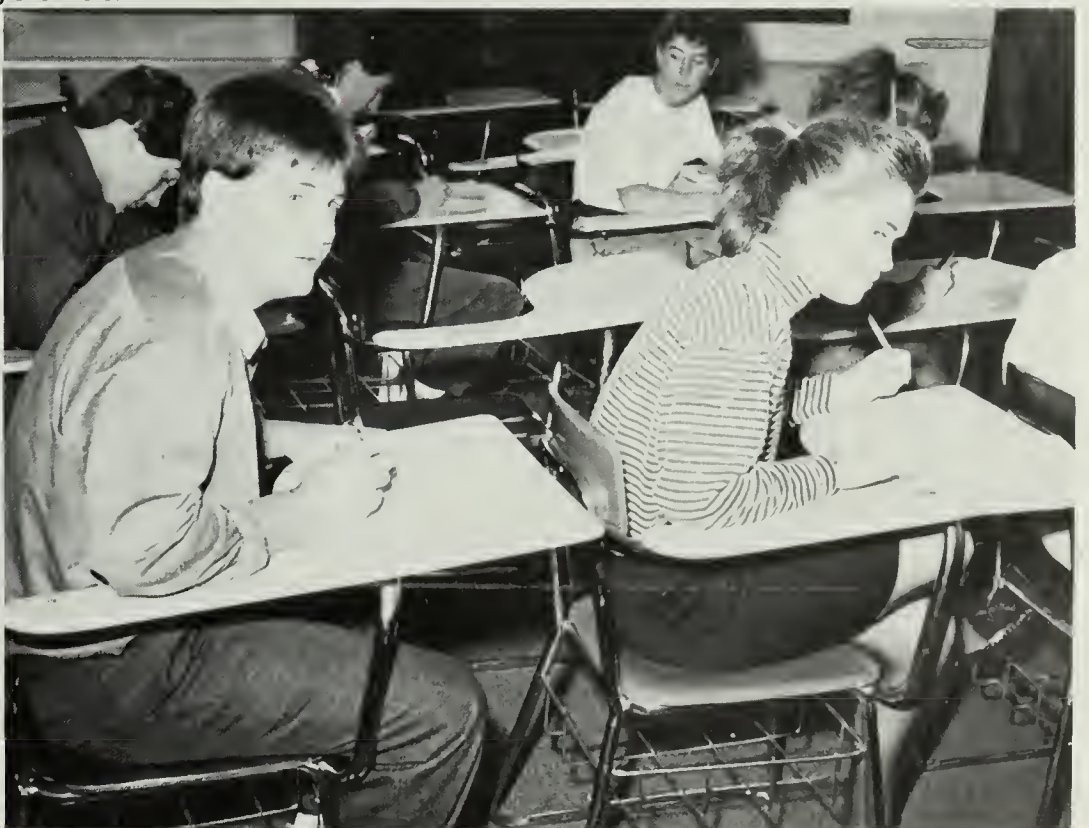

"O.K. We'll try this once more, hola means?"

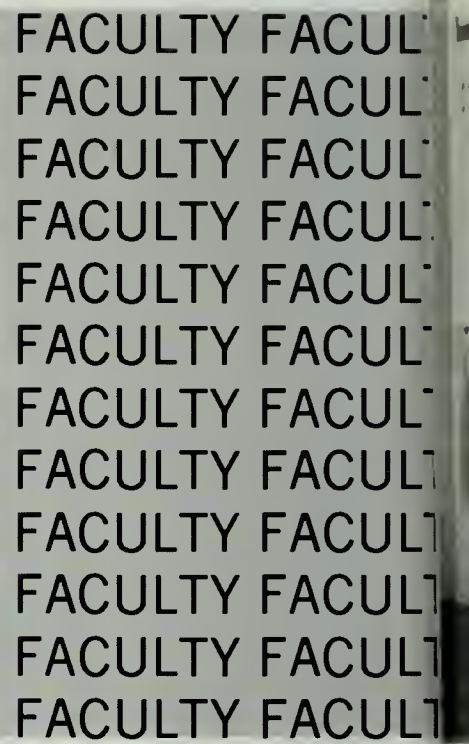

"Yep, she is coming over here!!"

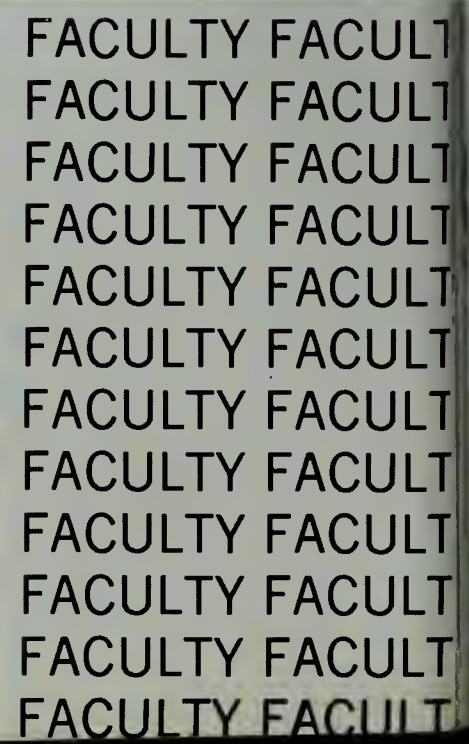

Excuse me, I am in this club too and expect to be treated as equal!

Psst, Dube, what's the answer to number 7?

A black and white portrait of an elderly man with a full white beard and mustache. He is wearing a light-colored, possibly white, shirt and a dark bow tie. He is looking slightly to the right of the camera with a gentle expression. The background is dark and out of focus.

Because of the loss of many seniors last year, the golf team had a lot of rebuilding to do. We had a turn out of about ten students ready to play golf. Although we did not end the year with a winning season, we'll have all our members returning next year ready to work just as hard.

The Girls Swim team finished up its season with a strong 8-4 record. This marked the best finish ever, during a 13 year history, for the girls at North. Captains Liz Harrington and Lisa Rodriguez along with seniors Maureen Furey and Sheila Comeau, helped to pace the team all season while closing out their four year stay. During the course of the season two school records were broken. Junior Beth Hughes shattered a nine year old mark in the 100 Backstroke with a time of 1:15:34. The Four Hundred Freestyle Relay team of Liz Harrington, Maureen Furey, Debbie Ramos and Blythe Bumpus also topped an all-time best at North in their event with a time of 4:14:58.

Individual qualifiers for the South Sectional meet were, Maureen Furey 100 Butterfly, Liz Harrington, 200 Individual Medley, Debbie Ramos 50 and 100 Freestyle, Renee Robichaud Diving, and Beth Hughes 100 Backstroke. The Four Hundred Freestyle Relay team finished tenth in the final standings. Congratulations to the Girls Swim Team on their very successful season.

The Girls Volleyball Team had its best season ever, finishing with an unprecedented 18-0 record. The girls met many tough Suburban League rivals, but the Raiderettes, consisting of 7 seniors and 6 juniors, continued their quest for the State Tournament.

North entered the Tournament as one of the top seeded teams in contention for the title. The team advanced round by round, beating such teams as Quincy, Braintree, Boston Latin and Pope John, in 3 straight games.

The final match against Stoneham, however, proved to be a nail biting event which came down to a final tie breaker (when all was even at 2-2). In the final game North managed to pull from a 14-8 deficit to secure their STATE CHAMPIONSHIP TITLE at 16-14.

We are 11 games into the season with a record of 6 wins, 5 losses. We lost our opening game at Everett, but then we won our next two at Malden and Arlington. A loss to Peabody and a win against Taunton brought us to the annual Christmas Tournament. We opened up against a strong Weymouth South Team, who we defeated, and then we played the other Weymouth team, Weymouth North in the finals. We beat them and became the winners of the tournament. This marked the first time in the six year history of the tournament that North Quincy has won it. Injuries then struck us, three players were sidelined. Losses in the next three games, Brockton, Newton North, and Cambridge brought our record to 5-5. But our players are back now and we are on the right track again with a convincing defeat over cross-town rival Quincy. There are nine more games left, not including the state tournament, which we hope to be in.

The girl's basketball team is led by eight returning seniors, tri-captains Nancy Flukes, Patty Feeney, Carrie Pistorino, Kerri McDonald, Tarra Meyer, Melissa Miles, Rita Rooney, and Stacey Welch. Paul Bregoli will be coaching his eighth season hoping for his one hundredth victory.

The Raiderettes started off winning its third consecutive Christmas Tourney at Weymouth by defeating Weymouth North in the Championship game.

Nancy Flukes became the all-time leading scorer by sinking a two point shot in the third quarter in their first game of the year against Everett at home.

In the team's first meeting with cross town rivals Quincy, North devastated Quincy with their relentless defense. The Raiders who built a 35-25 half-time lead, had an all round strong game defensively and offensively.

The Raiderettes have hopes of making the State Tourney for the third straight year in a row.

1987-1988 Boys' Swimming

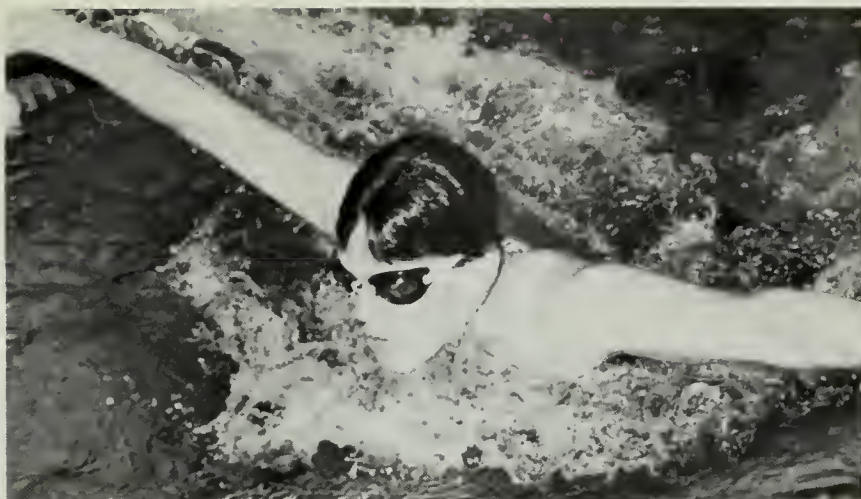

Graduating only three seniors last year, this year's team has a strong contingent of upperclassmen and is off to a good start with a 5-win, 4-loss record. Although the contributions of several key swimmers, (absent due to injuries), were missed the team has performed well and will undoubtedly continue to do so.

The young and inexperienced boys track team, with only two seniors, got off to a slow start. Losing their first four meets to Cambridge, Brookline, Newton North, and Brockton, the Red Raiders hope to finish with victories over Waltham and Quincy. The leading point getters are Tank McNamara, who is undefeated in the league for two years in a row in the shot put, Shawn Darcy, who is favorite for the League Championship in the high jump, and Quan Le, who is the top sprinter in the league. The two captains, Matt McNamara and Shawn Darcy along with Quan Le are very optimistic about the upcoming state meet. Having only two seniors on the team makes the future look bright for coaches Peter Chrisom, Jr. and Kevin Kelly.

The Yearbook committee would like to thank Mr. Ron J. LaQuaglia for all his help in assisting us. Most people don't realize how much effort and time is given in order for a successful completion of a yearbook. But with the editors, cover people, staff, and business people all working together with their advisor, eventually the task will get done.

THE FAR SIDE

THE FAR SIDE

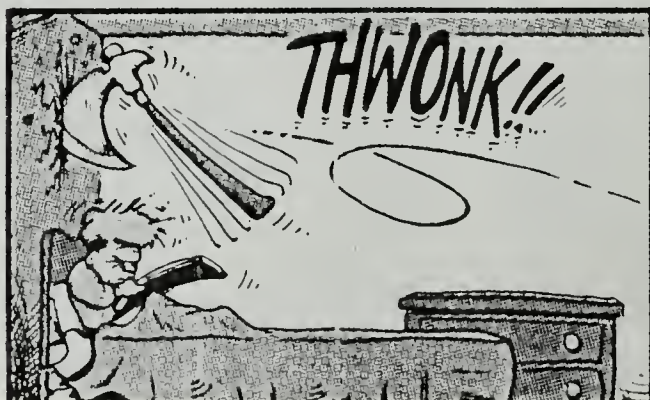

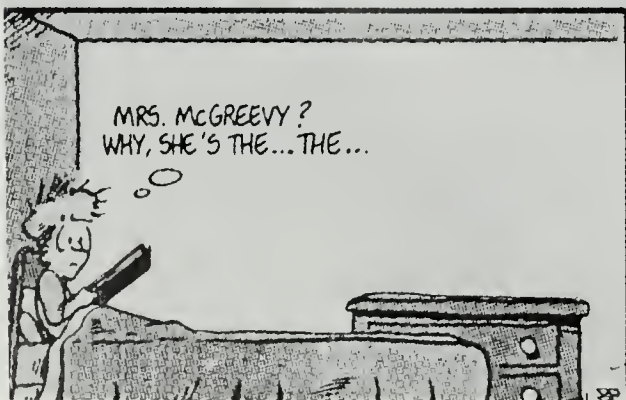

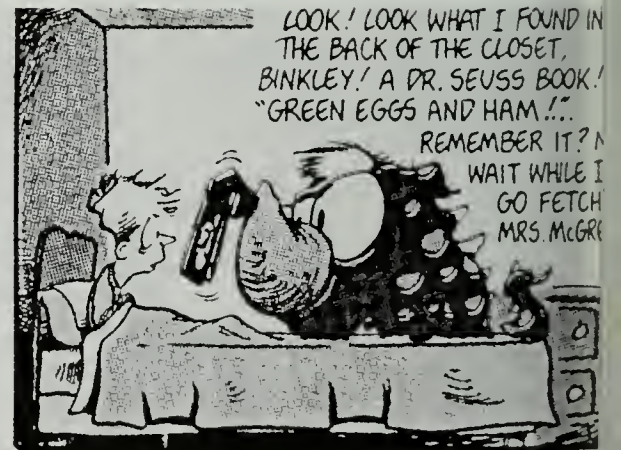

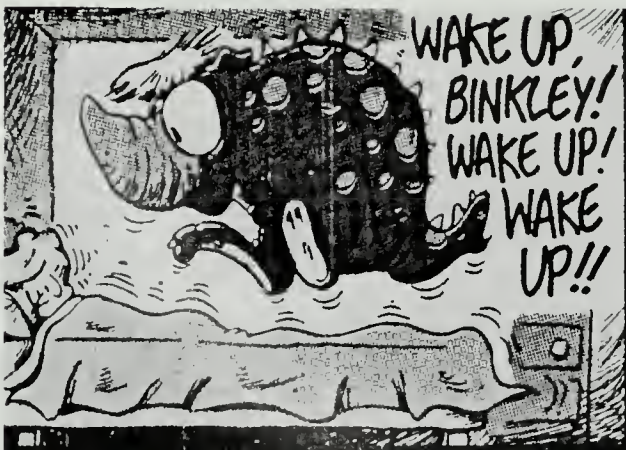

Rusty makes his move.

"THE GOOD OLD DAYS"

Four years of high school have come and gone,
But now it's time that we move on.
When we were here, we had it all,
We were "North Quincy Red Raiders" and we stood
tall.

"On North Quincy," we said proudly,
At every sports rally, we sang it loudly.
Volleyball, basketball, football, and soccer were just
a few of the games we did see,
Where we cheered our teams on to victory.
Dress-Up-Day, Carnation Day and Singing Elves
we did host,

And our level of participation was always the
utmost.

Semi's and proms we did attend,
And they were twice as special with that
loving boy/girlfriend.

"Get into the Groove," "With
You All the Way," and
"Never
Gonna Say Good-bye,"
were our themes,

Oh, how long ago that all does seem.
Now this year for our Senior Prom,
The "Time of My Life," theme has come along.
It seems to summarize our four years so well,
For what the future holds, we cannot tell.

But when we look back with nostalgia,
we know we will say, Those four
years at North were, "The Good
Old Days."
